Dear Ms. Qazi,

Thank you for contacting my partner, Morey Wildes in our New York office, in response to my telephone inquiry in the above-referenced matter. Morey informed me that my name was not on the Power of Attorney for this case, and has prepared an Associate Power of Attorney for me (and for Erik Swanson) to submit to you, which is attached.

Morey also informed me that you would be willing to conduct a telephone interview in this case on Friday afternoon (October 31, 2003). I am available also, and request that we do it at the earliest possible time that you are available (we are six hours ahead here in Germany). For example, 1:00 pm your time would work well for me.

I am interested in discussing the §112 rejections (both first and second paragraphs) and the § 103(a) rejections and how we can move the application toward issue.

Please let me know what time you would like to schedule the interview on Friday and whether you need any further documentation from me.

Thank you again for your responsiveness, and your willingness to set up the interview on short notice.

Sincerely yours,

Thomas P. Canty
